Christian

In this unit I will learn:

- What different people think about God.
- To express what I think and feel about God.
- What the bible says about God.
- To understand what God the father is like.
- What Christians believe about the creation of the world.

What should I know already?

- Who is important to me and my world?
- What lessons different bible stories can teach us?
- What different emotions and feelings represent.
- Who God is.

Skills I will

develop:

- Explain features of different bible stories and offer ideas of what they may mean.
- Think about what I find interesting and puzzling in life.
- Recognise some religious symbols and vocabulary
- Express how I feel about different religious stories and ideas.
- Identify what we find important and interesting during discussion about religion.
- Identify what is of value and concern to ourselves in response to different religious ideas.
