

# Year 2 God and Creation

## How is God important to our understanding of creation?

### Key vocabulary

- God
- Creation
- Emotions
- Creation
- Care
- Responsibility
- Stewards
- World
- Destroyed
- Obedience
- Disobedience

### In this unit I will learn:

- To build on my feelings and ideas about God.
- To understand the characteristics of God.
- To identify what I enjoy and like within creation.
- Why it is important to look after our world.
- How I can look after our world.
- To understand what God says in the Bible about looking after the world.
- What it feels like to trust people.
- Why Christians trust God.
- Think about why God created the universe.

### What should I know already?.

- That people of the same faith do things that create a sense of belonging
- What Christians believe about the creation of the world.
- What the bible says about God.
- To understand what God the father is like.
- The importance of bible stories for teaching us lessons.

### Key questions

- What do we think about God?
- How can we care like God does?
- Why was the story of Noah's ark important?
- Why do you think God created the universe?

### Skills I will develop:

- Retell religious, spiritual and moral stories
- Identify how religion and belief is expressed in different ways
- Recognise that some questions about life are difficult to answer
- Ask questions about our own and others' feelings and experiences
- Realise that some questions that cause people to wonder are difficult to answer
- Respond sensitively to the values and concerns of others, including those with a faith, in relation to matters of right and wrong.
- Retell religious stories and identify some religious beliefs and teachings
- Suggest meanings in religious symbols, language and stories
